**You don't want to miss your chance to stay in this completely remodeled cabin overlooking the Sandy River!**

Interior design right out of a magazine, this beautiful cabin has 3 bedrooms and 2 full bathrooms inside the main house. There is also a large bedroom and half bathroom loft in the garage. As if that wasn't enough, there is a giant tree house with electricity and a bed, new instant water heater - so every shower is hot, a double car garage with washer and dryer (and full loft), and a huge new pellet stove in the grand room (with 20 foot ceilings). TV room upstairs is perfect for watching movies and playing video games, and has a couch chair and giant beanbag. Covered hot tub on bluff overlooks the Sandy. Ping pong table in garage and tons of games in the pantry. A beautiful mix of modern and woody makes this the coolest mountain home you've ever seen. 6 minutes off Hwy.26 and one minute off Barlow Trail Road. You feel like you're in the middle of the wilderness, but you're just minutes away from great stores and restaurants and 15 minutes from Government Camp.

Think of it! Relaxing evenings at this incredible cabin and days spent skiing and snowshoeing on Mt. Hood in fall/winter or fishing, hiking and backpacking in spring/summer.
