

8th Grade Back-To-School Request Sunnyside Environmental School

Even as school budgets across Oregon continue to shrink, we still have much to celebrate. Thanks to the city, the teachers' union & the school board, Portland has a band-aid to save schools from the worst of next year's expected cuts. Thanks to our amazing families, our school has the volunteers and money to provide what the state does not: a robust environmental curriculum, arts enrichment and program supplies.

Go online to sesptsa.com to complete this form digitally, see the Frequently Asked Questions and access other informational links.

We will distribute this request for support at the end of the school year and again in fall. Please forgive us for asking twice...we hope you will contribute once.

As always, thank you for all you do to support the children at SES. If you have questions or concerns please call Principal Amy Kleiner 503-916-6226 or visit: www.sesptsa.org. Enjoy the summer and see you in the fall!
