

3rd Grade Supply List, 2014-15

This year, we would like to try a supplies purchasing system that saves you time and money and helps maintain equity for all students.

Thank you so much for equipping your child with these essential supplies. We welcome additional supplies for those in need!

- \$20.00
- Small pack of colored pencils (Prang are the best)
- 24 pencils (Ticonderoga are THE BEST)
- 2 white art erasers
- Pencil sharpener with shavings catcher
- One box of tissues
- One box of a cracker-style snack
- One package of dried fruit
- One package of pencil-top erasers

The \$20 helps the school buy your child all of the folders, binders, composition books, Sharpies, post-its, white board markers, water color paper, copy paper, additional tissues, additional glue sticks, additional pencils and lined paper they will need for the entire year. As you know, school supplies can quickly add up to over \$50, so we hope this will help ease the cost and save time for you and your family.

We REALLY could use:

- Help making painted paper at the start of the year. We have the paints, brushes and other tools. Let the 3rd grade team know if you can help with this!
- Black whiteboard markers (children use these all year and we can always use more!)

Other

- Decks of cards
- Used children's books (ages 7-9 especially!!) They will continue to be well-loved!
