

# Wreath & Poinsettia Sale

A Sunnyside Environmental School PTSA Holiday Fundraiser

This year our wreath sale will support Sunnyside AND Mujeres Luchadoras Progresistas (*Women Striving for Progress*).

Mujeres Luchadoras Progresistas (MLP) is a group of farm worker women who create economic development and promote leadership among women in their community. They recognize that women overcome exploitation and injustice when they organize and reclaim their rights. Their wreath project has made a substantial difference in the lives of farm worker women and their families. The holiday season is the time of the year with the least amount of farm work available and a time when families struggle most to pay the rent and provide for their families. The money that women earn through the wreath project goes towards their family's household expenses: rent, utilities, holiday expenses, warm clothing, and food. Supporting MLP allows Sunnyside to exercise what we try to teach our kids, and illustrates what we can accomplish as a community.
