

Kindergarten 2017-18 Back-To-School Request Sunnyside Environmental School

We need your support to ensure our school continues to help kids grow and thrive. Please make a donation to the Back-To-School request now and give as you are able!

The Back-to-School request helps fund the **sustainability program, art enrichment, program supplies** for classrooms and **Go Fund scholarships** to ensure all students attend their grade-level overnight trips. The amount requested below (**\$185**) is determined by calculating roughly what all of our fundraising needs are to support our great school programs each year and then dividing that by the number of students enrolled at SES.

Go online to sesptsa.org to complete this form digitally, see the Frequently Asked Questions and access other informational links.

Please give as you are able and know that there will be fundraisers and classroom asks big and small throughout the year to support all of our students, classrooms and grades. **Your donations pay for important programs unique to Sunnyside.** It takes all of us to make Sunnyside a special school.

Thank you for all you do to support the children at SES! If you have questions or concerns please call Principal Amy Kleiner 503-916-6226 or visit: www.sesptsa.org.

Less than \$20/ month!
See form on back to enroll in monthly payments!
